

RENTAL SERVICES

Why would you rent?

- If you need to rent equipment for a short period of time and don't want to make the full purchase
- If you want to test out an electrical product before you purchase it

What do we offer for rent?

Re-manufactured, new, and used electrical equipment including test sets, electrical switchgear, circuit breakers, and so much more!

How long can it be rented?

A majority of our inventory can be rented for any period of time.

Why choose Voyten?

By working with our sales team, you can be sure you will get the exact product that you need.

About Us

Voyten Electric & Electronics is a commercial electrical wholesaler and an industry leader specializing in the engineering, sales, service and repair of current and obsolete electrical products. Our main office, located on 430 acres of land in beautiful Northwestern PA, houses 180,000 square feet of warehouse space & contains one of the largest inventories of electrical products in the United States! We also have a secondary office with even more warehouse space and a sales team that works nonstop to make sure our customers are satisfied.

We strive to find solutions for any need our customers may have. Our massive, diversified inventory offers a plethora of product lines that cover a wide range of electrical components.
